Statement Regarding Stone Ambos Memorial Service

Perkins Township –Perkins Local School District has received numerous inquiries regarding the upcoming Memorial Service. To clarify, the District will provide the venue for the Stone Ambos Wake and Memorial Service. The District will help ensure that there is ample space anyone who would like to attend and we will work with the police department to ensure orderly access for attendees. The District will continue to have grief counselors available to our students as needed and will support the family wherever possible.

While held on school grounds, the event is private and organized by the Ambos family. We ask everyone to please respect the family's and the student's privacy as they grieve this difficult loss.

Parents or students who have questions about the logistics for the Memorial Service or Wake should call 419.625.1252. The District will have no further public comment on this private matter.
