ATHLETIC PARENTAL TRANSPORTATION RELEASE FORM

- Perkins High School athletic rules require that student-athletes travel to and from athletic contests with their team when transportation is provided by the school district.
- In order to depart from this requirement, the athlete must file a completed transportation release form with the athletic office no later than one day prior to the athletic event.
- These release forms will be handled on an individual basis and must be approved by the Athletic Director prior to the athletic event. Convenience will not be a reason for approval.
- This form must be signed by the athlete's coach before it is submitted to the Athletic Director for approval. The Athletic Director will not sign any form without a coach's signature.
- This form must be signed by the Athletic Director prior to the departure.
- The decision reached is final.
- The Athletic Office will return the completed and signed form to the athlete. The athlete must retain this form and give it to their coach on the date requested for alternative transportation.
- An athlete will not be permitted to drive his/her own vehicle, or to transport other students to and from his/her athletic contest, when school transportation is provided.
- This form will release Perkins Local Schools from all liability from any adverse results that may occur.
