

Perkins Local Schools Briar Middle School Athletics **TRANSPORTATION RELEASE FORM**

Overview and requirements:

1. Perkins Local Schools athletic regulations require that students travel to and from all athletic contests with their team, when transportation is provided by the school district.
2. In order to depart from this requirement, a parent or guardian must file a transportation release form with the athletic office **no later than one day (24 hours) prior to the athletic event** in order to be released to parents.
3. These release forms will be handled on an individual basis and must be approved by a member of the Briar administration prior to the event. Convenience will not be a reason for approval. The decision reached is final.
4. The form **MUST** be signed by a Briar administrator prior to departure.
5. The Briar office will supply the head coach with a copy of the completed release. The head coach must retain this form.
6. A student-athlete will not be permitted to drive his/her own vehicle to transport other students to and from his/her athletic contest when school transportation has been provided.
7. This form will release Perkins Local Schools from all liability for any adverse results that may occur.
