2022-2023 COMMUNITY & NONPUBLIC SCHOOL TRANSPORTATION INFORMATION

Parents/Guardians:

Perkins Local Schools provides transportation to resident community and nonpublic school students in kindergarten through 12th grade who attend eligible nonpublic and community schools as required by Ohio Revised Code. Transportation is provided in accordance with the approved calendar of the community or nonpublic school of attendance.

Please note the following information regarding community/nonpublic school transportation for the upcoming school year:

- A transportation request must be submitted for each student every year (see below for instructions.)
- Enrollment and residency will be confirmed with the community/nonpublic school.
- Transportation is provided on the routine schedule.
 - Transportation is provided according to the community/nonpublic school calendar. If a community/nonpublic school is scheduled to be in session and Perkins is not, transportation **will** be provided. Afternoon transportation generally looks different on these days for some students which may mean arriving home earlier/later than normally expected.
 - Delayed starts are not able to be accommodated. If the community/nonpublic school schedules a delayed start, morning transportation is not provided.
 - Early releases may be accommodated. If the community/nonpublic school schedules an early release, transportation will be provided as long as it does not disrupt the routine schedule. These routes will likely be different than the typical daily routes and students may arrive home earlier/later than normally expected.
 - If Perkins Local Schools is closed due to inclement weather, there will be no transportation provided to community/nonpublic schools.
 - If Perkins Local Schools has a delayed start due to inclement weather and the community/nonpublic school does not, morning transportation is NOT provided.
 - If the community/nonpublic school has a delayed start due to inclement weather and Perkins Local Schools does not, morning transportation is NOT provided.
- Students may be transported to and/or from a location other than the residence for child care purposes (if space is available on that route), but that location must be consistent Monday through Friday. Please see the request form for full details regarding transportation to/from child care provider locations.

To submit a transportation request, please go to the Perkins Local Schools website: www.perkinsschools.org

- The online form can be accessed under Departments / Transportation;
- Choose Community & Nonpublic School Transportation Request Form
- A separate form must be submitted for each child.

For questions, please contact the Transportation Office @ 419-625-1272 or transportation@perkinsschools.org
